Are your bags authentic and what type of quality are they?

No they are NOT authentic bags...and they cost hundreds of \$ less than the original, (to learn more please read our disclaimer) BUT they are AAA+ almost "mirror image" from different manufactures, and we personally hand pick only the best, and each and every bag is self inspected for even the slightest imperfections. Most our bags are made of genuine, real leather and most of the AAA+ bags have serial numbers, all come w/lock and keys when appropriate and LV metal stamp on every piece of hardware. Inside all LV handbags, have "LV Made in France". We recommend these bags to buyers who would like to save some money, you'll be on Top of the "Fashion World" and even better you'll feel like a "million bucks".

What are replica bags?

Replica bags are items that are similar and comparable to the original. There are many grades of replicas, depending on the quality of product and workmanship. However we do have the absolute top quality replicas, sold by Bibisblingbling.

Why buy from us?

Professional packing and handling. Actual photos (taken by our staff!) and correct information about all of our items. All items are inspected before shipment. After spending lots of time in doing research and comparing prices, we can assure you, we have simply the best quality products with incredible reasonable and low prices ever! You will also notice we have a limited supply of items since the best quality is hard to obtain, remember Bibisblingbling policy is quality and not quantity.

Do you sell wholesale?

No, we cater to the retail customer.

Is your website secure to order from?

Yes we use a Secured Socket Layer (SSL) technology to process your

purchases.

How do I know if my order went through?

If your order has been Accepted, you will be advised at the time you finalize your order. Also, you will receive an emailed invoice.

Can I make a request for my order to be left in front of the door or anywhere else other then direct receiver?

Yes. We can, if you email us your request immediately after you receive your invoice for your order.

Do you supply a catalog?

Printed catalogs are not available, however, all of our merchandise is displayed on our website.

What is your return policy?

There are no refunds due to our extremely low prices. We offer exchanges only for items returned within 7 business days, in good condition.

What is the address that can be used to send items for return/exchanges?

Re: Sale of Counterfeit CHANEL Merchandise

Dear Ms. Vaughn:

I am writing on behalf of Chanel, Inc. ("Chanel").

Chanel is the owner of the world famous CHANEL and CC Monogram trademarks (the "Chanel Marks"). Chanel owns numerous federal trademark registrations for the Chanel Marks. These registrations constitute conclusive evidence of our ownership of the Chanel Marks, as well as Chanel's exclusive right to use these Marks. As a matter of federal law, these trademark registrations have put you on constructive notice of Chanel's rights in the Marks.

It has come to our attention that you have been advertising and offering for sale handbags, jewelry and accessories which bear counterfeit Chanel marks. We are aware that you have advertised and sold these goods through www.bibisblingbling.com.

Your conduct in offering for sale and selling unauthorized products bearing the Chanel Marks constitutes civil trademark counterfeiting under state and federal law and may also subject you to criminal penalties. The civil remedies available to Chanel may include the seizure and destruction of your goods, an injunction prohibiting your further use of the Chanel Marks, payment of Chanel's attorney fees, and payment to Chanel of three times the amount of money that you made from your sale of counterfeit Chanel merchandise.

In view of the foregoing, we request that you provide us with the following information if you are inclined to resolve this matter on an amicable basis:

1. The identity of the source of all products that you have offered to sell or sold bearing the Chanel Marks;
2. A description of all products that you have sold bearing the Chanel Marks;

3. An accounting of all products sold bearing the Chanel Marks, including the number of products sold, your purchase price for each piece of merchandise you sold, and the sale price that you received for each item sold;
4. A detailed list of all products that you have in inventory bearing the Chanel Marks and the location of the inventory;
5. The names of all purchasers to whom you have sold the counterfeit Chanel products.

In addition to this information we must receive from you a written representation that you will:

- a. cease and desist from your sale of counterfeit or unauthorized merchandise bearing the Chanel Marks;
- b. deliver up to us for destruction all remaining inventory that you have of good bearing the Chanel Marks;
- c. reimburse Chanel for all monies spent in investigating your sale of counterfeit or unauthorized merchandise bearing the Chanel Marks; and
- d. provide payment to Chanel of all monies you received from the sale of said merchandise.

We anticipate receiving the requested information, materials and representations from you within two (2) weeks of the date of this letter. If such is not the case, we will have no alternative but to refer this matter for further legal action.

This letter is written without waiver of any of Chanel's rights or remedies, all of which are expressly reserved.

Very truly yours,

Lynnette Oka
